ADMINISTRATIVE RULES

Changes made in 1982 in the Wisconsin Administrative Code applicable to insurance are described below.

Ins 2.07 Replacement of life insurance or annuity contracts; disclosure requirements.

Section Ins 2.07 was repealed and recreated to provide a simplified notice and disclosure to persons who may replace their life insurance or annuity contracts. The purpose of these revisions is to disclose replacement in a simple manner with a minimum of administrative detail. Subsection (4) of the rule sets out the duties of an agent to complete and furnish the notice to the applicant and to submit a copy to the insurance company representative.

Every authorized insurer must inform its agents of the requirements of this rule and be sure that it receives the notices required. Subsection (5) also requires that, where replacement is involved, a policyholder will be guaranteed a 20-day right to return a policy for a full refund of premium. Effective 3/1/82.

Ins 2.11 Franchise life insurance.

Section Ins 2.11 was repealed. The rule defined and described certain exceptions to the franchise law that, because of statutory changes, were no longer necessary. Effective 7/1/82.

Ins 2.12 Exceptions to unfair discrimination.

Subsection (5) (d) which related to unfair discrimination practices in the issuance of life insurance or life annuity contracts in connection with franchise life insurance was repealed because the statute referred to no longer existed. Effective 7/1/82.

Ins 2.15 Annuity benefit solicitation.

Subsections (1) and (2) (b) were amended to correct statutory references and Appendix I to the rule was amended to remove an inaccurate phrase relating to IRA's. Effective 7/1/82.

Ins 2.16 Life insurance advertisement: unfair trade practice.

The purpose of this rule is to require insurers to include in advertisements for life insurance which show a rate of return on cash values or premiums information on the factors which affect the calculation of the yield. The rule also places restrictions on the use of nonguaranteed amounts in life insurance advertisement.

Subsection (5), Disclosure, requires that all life insurance solicitations, representations and advertisements which show a specific rate of return on premiums or cash values shall also include 1) a general statement describing the existence of first year and annual expense charges, mortality charges and surrender charges which will be deducted from the premium before the interest rate is applied; 2) the guaranteed rate of interest paid on the cash value; 3) the amounts of cash value or premium to which the guaranteed and illustrated rates are applied; 4) an indication that the interest rate credited on cash value amounts which have been borrowed is different from that for cash values which have not been borrowed, if that is the case; and 5) an indication of any other significant factors which affect the manner in which cash values are computed.

Paragraph (b) of subsection (5) requires that all information required to be disclosed shall be set out in such a manner as not to minimize or render any portion obscure. Subdivisions 1 and 2 of that paragraph require that if the advertisement shows nonguaranteed interest rates for premium or cash value accumulation, the guaranteed rates shall be disclosed with equal prominence and that in the case of printed advertisements all information required to be disclosed shall appear in close proximity to the interest rate, in a type size and style similar to that in the text of the advertisement. Several life insurers and agents sought a temporary injunction against the requirements in subdivisions 1 and 2 for disclosure with equal prominence and in close proximity. Dane County Circuit Judge P. Charles Jones granted a temporary injunction November 2, 1982, for relief from these requirements.

Subsection (6) of the rule requires that nonguaranteed features of a policy, if illustrated in a life insurance solicitation, representation or advertisement, may not be more favorable to the policyholder than those based on the current interest rates, dividend scales and other variable components currently used by the insurer. Paragraph (b) of subsection (6) required that the nonguaranteed amounts not be used unless accompanied in close proximity with equal prominence by the corresponding guaranteed amounts. The temporary injunction issued by Dane County Circuit Court also prohibits enforcement of subsection (6) (b). Effective 11/1/82.

Ins 3.09 Mortgage guaranty insurance.

Major changes were made in s. Ins 3.09 to revise the standards for sound financial condition for mortgage guaranty insurers. These were needed because of radical changes in the mortgage guaranty business since the rule was last amended.

The concept of policyholder's position, the sum of the contingency reserve and surplus as regards policyholders, is defined. Factors for calculation of the minimum policyholders provision are developed dependent on whether the mortgage guaranty insurer covers individual loans or group loans; on the percentage of coverage; and on the loan-to-value or policyholders equity category. Different factors are applicable if the coverage is for loans secured by junior liens.

The requirement for contributions to the contingency reserve is revised to coordinate with the policyholder's position concept.

Changes were made in the rule to correct and clarify statutory references and definitions, particularly the definition of mortgage guaranty insurance. The definition of credit insurance is expanded to include insurance on loans served by junior liens on real estate. Insurance on such loans is subject to s. Ins 3.09. Other definitions are expanded for better cross-reference.

Subsection (4) is amended to prohibit a mortgage guaranty insurer discriminating on the basis of the geographical location of the property.

A provision is added in subsection (7) to prohibit mortgage guaranty insurance on certain accelerated maturity contracts (including balloon payments) unless certain criteria are met.

A minimum compulsory surplus of $2,000,000 is established in subsection (7m) for insurers organized after January 1, 1982.

Subsection (8) has been amended to delete the requirement that reinsurance must be in licensed mortgage guaranty insurers.

The reporting requirements in subsection (12) have been simplified by removing some of the references to specific annual statement reporting requirements. Subsection (13) (a)

has been amended to add unearned premium factors for three-year coverage. Effective 11/1/82.

Ins 3.28 Solicitation, underwriting and claims practices in individual and franchise accident and sickness insurance.

Various subsections of this rule about which there was confusion and inconsistent interpretation in the insurance industry were amended.

Subsection (5) (c) was repealed and recreated to clarify prohibited reasons for voiding coverage or denying claims.

Subsection (5) (d) was repealed and recreated to make the requirement that insurers provide a notice concerning questions affecting insurability more specific. This reduces the possibility of misinterpretation on the part of insurers.

Reference to the statutory time limit on an insurer's rights to use information acquired after issuance of coverage was included in the amendment of subsection (5) (f).

Subsection (5) (g) was created to make clear that statements appearing in an application for individual insurance may be used as a defense to a claim or to reform coverage only if it is in compliance with s. Ins 3.28 (5) (d) which requires separate notice about statements in applications for such insurance.

Subsection (6) (b) was amended to make it consistent with the requirements in s. 632.76 (2), Stats., relating to coverage for pre-existing diseases. Specifically with respect to disability income insurance it was necessary to make clear when the pre-existing defense may not be used.

Subsection (6) (d) was repealed and recreated to clarify the language which allows insurers to deny or reduce a claim on the basis of a pre-existing condition limitation when an insured has noticable symptoms which would prompt a reasonable person to seek diagnosis, but the insured has failed to do so before the effective date of coverage.

The prohibition of certain uses of the insured's health history with regard to claims was clarified by the repeal and recreation of subsection (6) (f). Effective 5/1/82.

Ins 3.29 Replacement of accident and sickness insurance.

Subsections (3) and (7) were amended to coordinate with the replacement requirements for Medicare supplement policies included in s. Ins 3.39. Effective 7/1/82.

Ins 3.31 Eligibility for and solicitation, underwriting and claims practices in group, blanket and group type accident and sickness insurance.

Changes were made in this rule applicable to group and blanket type insurance, which were comparable to the changes made in Ins 3.28 which applies to individual accident and sickness insurance.

The changes are in various parts of paragraphs (a) and (b) of subsection (3). Effective 5/1/82.

Ins 3.36 Statistical reports - health professional liability insurance.

This section was repealed since section 625.35, Stats., which mandated the reporting of information on health professional liability insurance to the commissioner was repealed by Chapter 221, Laws of 1979. Without the statutory mandate for gathering the specific information, there was no need for the rule. Effective 4/1/82..

Ins 3.39 Standards for disability insurance sold to the Medicare eligible.

The purpose of s. Ins 3.39 is to establish standards for disability insurance sold to the Medicare eligible. Since the Wisconsin rule was first adopted in 1977, the subject has been reviewed by the National Association of Insurance Commissioners (NAIC) and the federal government and the federal government is authorized under 42 U.S.C. s. 1395ss to certify certain Medicare supplement policies if they do not meet the requirements of a model regulatory program established by the NAIC. Section Ins 3.39 was revised to apply to certain group policies and certificates as well as individual policies.

Medicare supplements are allowed to use waiting periods for pre-existing conditions of no more than six months, and pre-existing conditions may not be defined more restrictively than conditions for which a physician was consulted within six months before the effective date of the policy. The anticipated loss ratio for Medicare supplements must be at least 60% in the case of individual and mass-marketed group policies and at least 75% in the case of other group policies.

Section Ins 3.39 maintains three levels of Medicare supplements. A Medicare Supplement 3 must provide at least the minimum coverage recommended by the NAIC. The other two categories are revised to meet the NAIC standards and reflect changes in Medicare. A Medicare Supplement 1 provides the most comprehensive coverage, including coverage for the difference between Medicare's allowable charge for a service and the provider's usual and customary charge.

Certain individual policies are required by subsection (7) to bear a caption if they are sold to people eligible for Medicare. Section Ins 3.39 (8), dealing with conversion or continuation of coverage, was extensively revised for clarity.

The requirement that every Medicare eligible purchaser of a Medicare supplement policy must receive an outline of coverage and the buyer's guide, "Health Insurance Advice for Senior Citizens," before the application is taken was continued. In addition, the buyer's guide must be furnished at the time of application for an individual accident and sickness policy sold to a person over 65, even if the policy is not a Medicare supplement.

The revisions exempt certain Medicare supplement policies from the special requirements for a pre-existing conditions provisions and right to return provisions set forth in ss. 632.73 (2m) and 632.76 (2) (b), Stats. Subsection (2) (j) 3, relating to the right to return a policy, was amended to reflect a statutory change. Effective 7/1/82.

Ins 3.42 Plans of conversion coverage.

Section Ins 3.42 sets the standards for individual conversion policies which are offered to people who have lost their prior group or individual coverage. Section 632.897 (4), Stats., requires that certain terminated insureds be offered conversion coverage which is reasonably similar to the prior coverage, and provides that the conversion coverage shall be reasonably similar if the terminated insured is offered a choice of three plans promulgated by the commissioner, or is offered a high limit, comprehensive plan of benefits approved by the commissioner for conversion purposes. Section Ins 3.42 outlines the commissioner's three plans. The changes made in the rule are intended to resolve some of the problems which have arisen during the review of conversion policies for approval.

Subection (2) (b) is revised to clarify that the coinsurance provisions apply to hospital and surgical coverage, as well as medical coverage.

Subsection (2) (e) is amended to allow insurers to limit coverage for psychologists' services to those referred or supervised by a physician.

Subsection (2) (f) provides that a terminated insured who had maternity coverage under the prior policy must be offered a conversion policy covering normal pregnancy.

Subsection (2) (g) provides that if outpatient treatment of mental illness is covered the coverage must meet one of two standards. Either at least 50% of usual, customary and reasonable charges must be covered, subject to the deductible and policy maximum, or benefits must conform to the mandates for group insurance in s. 632.89, Stats. Previously only the first option was allowed. Effective 11/1/82.

Ins 3.43 High limit comprehensive plan of benefits.

The purpose of ss. Ins 3.42 and Ins 3.43 is to set standards for individual conversion policies which are offered to people who have lost their prior group or individual coverage. Section 632.897 (4), Stats., requires that certain terminated insureds be offered conversion coverage which is reasonably similar to the prior coverage or is offered a high limit comprehensive plan of benefits approved by the commissioner for conversion purposes. Section Ins 3.43 describes the minimum benefit standards that a high limit, comprehensive plan of benefits must meet in order to be approved for conversion purposes. The proposed changes are intended to resolve some of the problems which have arisen during the review of conversion policies for approval.

Subsection (1) (b) is revised to clarify that the coinsurance provisions apply to hospital and surgical coverage, as well as medical coverage.

Subsection (1) (e) is amended to allow insurers to limit coverage of psychologists' services to those referred or supervised by a physician.

Subsection (1) (f) provides that a terminated insured who had maternity coverage under the prior policy must be offered a conversion policy covering normal pregnancy.

Subsection (1) (g) provides that if outpatient treatment of mental illness is covered, the coverage must meet one of two standards. Either at least 50% of usual, customary and reasonable charges must be covered, subject to the deductible and policy maximum, or benefits must conform to the mandates for group insurance in section 632.89, Stats. Previously only the first option was allowed. Effective 11/1/82.

Ins 3.46 Standards for nursing home insurance.

Paragraph (c) of subsection (3) was added to provide that nursing home coverage included in a hospital confinement indemnity policy is subject to the requirements for nursing home insurance coverage if the policy is sold to a person eligible for Medicare. Effective 7/1/82.

Ins 6.05 Filing of property and casualty insurance forms.

Subsections (4) (a) and (b) were amended to establish a schedule designating the calendar month for filing a list of all policy forms with the insurance commissioner's office. Effective 3/1/82.

Subsections (4) (c) and (d) were created to require that property and casualty insurance form filings include a certificate of compliance and a final printed copy of the contract form. The certificate is the insurer's confirmation that the form filing is in compliance with the Wisconsin Statutes and Administrative Code. The requirement that the filing be accompanied by a final printed copy of the form will eliminate unnecessary filing of draft copies. Effective 8/1/82.

Ins 6.06 Reporting of disciplinary action against insurers.

This proposed rule to establish a method of formal reporting of disciplinary action against insurers by regulatory authorities was withdrawn and not adopted.

Ins 6.10 Insurance Agents Advisory Council.

The duties of the Insurance Agents Advisory Council have been assumed by subcommittees of the Life and Disability Advisory Council and the Property and Casualty Advisory Council or by ad hoc advisory committees, therefore, the Insurance Agents Advisory Council is no longer needed. Section Ins 6.10 which created that council was repealed. Effective 11/1/82.

Ins 6.17 Regulation of surplus lines insurance.

The changes in this rule were made to simplify procedures for surplus lines agents by eliminating many of the current filing requirements for such agents and to make the language of the rule sex-neutral. Subsection (3) (c) was repealed to remove the requirement that surplus lines agents submit copies of all proposals to the commissioner's office along with other reporting requirements. Paragraphs (d) and (e) were renumbered to reflect the repeal of paragraph (c).

Subsections (4) and (6) were amended to remove the word "his" from the rule to make the language sex-neutral.

Appendix 1 of s. Ins 6.17 was amended to remove the notation that a carbon copy of the surplus lines proposal is to be sent to the commissioner of insurance. Effective 9/1/82.

Ins 6.25 Joint underwriting and joint reinsurance associations.

Section Ins 6.25 exempts certain insurers and organizations from the requirements of s. 625.33, Stats., with respect to joint underwriting and joint reinsurance of certain lines of insurance. Subsection (2) (f) was created to add certain types of commercial property insurance to the lines made exempt from s. 625.33, Stats. Commercial property insurance insuring property damage, business interruption, extra expense, rents and other time element coverages, in an amount not less than $50,000,000, are made exempt from s. 625.33, Stats. Effective 9/1/82.

Ins 6.51 Group coverage discontinuance and replacement.

Section Ins 6.51 sets forth the procedures to be followed when a group life or disability insurance policy is terminated or replaced. Changes were made to simplify, correct and clarify portions of the rule including updates to be consistent with current practice and policy. Several definitions were added to subsection (3) to clarify the terms used in the rule.

Inconsistencies with s. 632.79, Stats., dealing with termination notices, were reconciled by (4) of the rule. Subsection (5) was reorganized for increased clarity. Subsection (6) (c) indicates when integration of Social Security, disability or retirement benefit increases can occur. In subsection (6) (d) reference to a specific event causing a disability was deleted because the intent was to require that extension of benefits begin from the actual date of termination of the prior group plan, not from some earlier date.

Reference to the provision in s. 632.897, Stats., relating to the right to coverage under a replacement group policy, is included in subsection (7) (c) 1. If the disabled employe is not eligible for regular replacement coverage, the proposed rule would continue to require an insurer to provide temporary coverage until the insured becomes eligible. Effective 4/1/82.

Ins 6.55 Discrimination based on sex; unfair trade practice.

A proposed amendment of this rule to define "complications of pregnancy" was not adopted.

Ins 6.58 Licensing of corporations and partnerships as insurance intermediaries.

This rule was changed to remove the reproduction of the application form for corporation or partnership insurance intermediary license from the text of the rule. The Office of the Commissioner of Insurance furnishes copies of the form upon request so that its reproduction in the rule is not necessary. Effective 11/1/82.

Subsection (2) was repealed and recreated and subsection (3) repealed to accomplish the intent of Chapter 38, Laws of 1981, that the licensure of partnerships and corporations is voluntary. Effective 5/1/82.

Ins 6.64 Insurance marketing intermediary-broker.
Ins 6.65 Licensing and examination of intermediary-broker.

The repeal of ss. Ins 6.64 and Ins 6.65 corresponds with the requirement under s. 628.03 (1), Stats., as affected by Chapter 38, Laws of 1981, that anyone acting as an intermediary be licensed under s. 628.04, Stats., as affected by Chapter 38, Laws of 1981, or s. 628.09, Stats., as affected by that same act, and that an agent may act as a broker under the revised statute. The repeal of ss. Ins 6.64 and Ins 6.65 eliminates separate licensing and marketing restrictions for intermediary-brokers. Effective 5/1/82.

Ins 6.73 Reinsurance.

The purpose of this rule is to establish requirements for determining an authorized reinsurer as described in s. 627.23 (1), Stats., and to define the criteria that must be met to permit an insurer to include credit for reinsurance ceded in the Annual Statement of the Conditions and Affairs of the Insurer which is filed with the Commissioner of Insurance. Effective 4/1/82.

Ins 6.75 Classifications of insurance.

In connection with the changes in s. Ins 3.09, relating to mortgage guaranty insurance, paragraph (i) and (j) of s. Ins 6.75 (2) were amended to provide more clearly for the various classes of mortgage guaranty insurance. Effective 11/1/82.

Ins 7.01 General forms.

As a part of the change in s. Ins 3.09, relating to mortgage guaranty insurance, paragraph (t) of s. Ins 7.01 (24) was adopted to authorize a Mortgage Guaranty Insurers Report of Policyholder's Position. Effective 11/1/82.

As a part of the amendment of s. Ins 16.02, relating to annual audited financial reports and examinations, subsections (5) (j) and (7m) were adopted to authorize reports from health maintenance organizations. Effective 11/1/82.

Ins 13.01 Other rules applicable to town mutual insurers.

Section Ins 13.01 was repealed and recreated to remove a reference to s. Ins 4.03 which had been repealed, and to add references to ss. Ins 6.07, Insurance Policy Language Simplification, Ins 6.72, Risk Limitations, and Ins 6.76, Grounds for Disapproval of and Authorized Clauses for Fire, Inland Marine and Other Property Insurance Forms. This updates the listing of other rules applicable to town mutual insurers. Effective 5/1/82.

Ins 13.04 Undertaking to pay premiums and assessments and contract forms.

Subsection (4) was repealed and recreated to specify that town mutual policy forms shall conform to ss. Ins 6.07, Insurance Policy Language Simplification, and Ins 6.76, Grounds for Disapproval of and Authorized Clauses for Fire, Inland Marine and Other Property Insurance Forms, and to include provisions relating to articles of incorporation and bylaws and notice of annual meeting. This updated the requirements for town mutual insurance policy forms.

Subsection (5) was repealed and recreated to authorize variations in the arrangement of the provisions in town mutual insurance policies to provide for convenience in preparation and issue.

Subsection (6) authorizes attachments of riders, forms and endorsements to a town mutual policy to include perils in addition to fire and lightning and for other necessary purposes. These forms are to be similar to those of insurers subject to Chapter 631 and 632, Stats., and subsection (6) requirements are similar to the present rule which applies to those insurers, s. Ins 13.04 (4) (c). Effective 5/1/82.

Ins 13.05 Accounting records, accounting controls and reports.

Subsection (3) (e) was amended to remove the last sentence which made maintaining a general ledger optional. This repeal requires town mutuals to maintain a general ledger. Effective 5/1/82.

Ins 13.08 Valuation of liabilities.

Subsection (3) (intro.) was amended to require a liability for unearned premium by town mutuals which charge advance premiums. The reference to policy or membership fee in the calculation of the reserve was deleted since s. 600.03 (38), Stats., includes them by the definition of "premiums." The unearned premium reserve is to be calculated on the original or whole term premium basis. Effective 5/1/82.

Ins 14.02 Compulsory and security surplus.

This rule was adopted to interpret ss. 623.11 and 623.12, Stats., which authorize the commissioner to determine the amount of compulsory surplus that insurance companies are required to have in order not to be financially hazardous. Compulsory surplus is to be an amount that will provide reasonable security against contingencies affecting the insurer's financial position that are not fully covered by reserves or by reinsurance. Security surplus is to be set by the commissioner between 110% and 140% of the compulsory surplus.

Subsection (1) of the rule explains that its purpose is to interpret the statutes mentioned above.

Subsection (2) provides that s. Ins 14.02 shall apply to all lines of insurance except title and mortgage guaranty insurance and to all insurers authorized to do business except insurers licensed under Chapter 612, town mutuals; Chapter 613, service insurance corporations; Chapter 615, gift annuities; or Chapter 616, miscellaneous insurers, including school benefit plans and motor clubs. Life insurers domiciled in foreign countries are also excepted.

Subsection (3) establishes that the compulsory surplus of an insurer shall be the greater of: (a) the sum of 15% of premiums for individual life and disability insurance, 10% of premiums for group life and disability insurance, the greater of 2% of reserves or 7 1/2% of premiums for annuities and 20% of premiums for all other covered lines of insurance; or (b) $2 million.

Subsection (4) establishes the security surplus of an insurer to be the compulsory surplus plus 10% to 40% depending on the amount of premiums of the insurer. Subsection (5) explains that compulsory surplus and security surplus are determined separately.

Subsection (6) describes how premiums are to be determined for the purposes of subsections (3) and (4). Subsection (7) emphasizes that the commissioner may adjust the factors in this section to calculate the compulsory or security surplus depending on special circumstances of an individual insurer. Subsection (8) authorizes the combination of two or more insurers for application of the rule and subsection (9) provides every insurer shall compute its compulsory surplus and security surplus as of December 31 and file it as a part of its annual statement filing.

The note to the rule explains that it is not intended to determine the optimum level of surplus an insurer should have but instead it is to establish a basic minimum level which most insurers can easily comply with. The note also emphasizes that the commissioner may require a higher or lower level of surplus based on special circumstances. Effective 8/1/82.

Ins 16.01 Annual billings for the examination of domestic insurers.

This rule, which interprets s. 601.45, Stats., to specify how examination costs are to be paid, was amended to reflect legislative changes and to clarify office policy.

Section Ins 16.01 (1), (2) and (3) (b) were amended to specify that health maintenance organizations regulated by the commissioner are excluded from the annual assessment process and are subject to a direct charge for the actual costs of an examination ordered by the commissioner. These organizations were made subject to examination by a part of the 1981 budget bill.

The amendments to s. Ins 16.01 (3) (b) and (4) (b) provide that insurance agencies (licensees) which are examined are subject to a direct charge for the actual cost of such examinations. This amendment clarifies current policy.

The amendments to s. Ins 16.01 (4) (a), (5) and (8) change the budgeting and reporting requirements of the commissioner from a calendar year basis to a fiscal year basis in order to conform with the state's fiscal year. These changes also establish a fixed month, November, for the required annual hearing and expand the topics to be covered at that hearing.

Section Ins 16.01 (3) (c) requires domestic insurers to pay for the actual cost of an examination which they request, the end of the period of which is within three years of the end of the period of their last examination. Such requests are usually for the purpose of licensure in another state. The direct charge is in addition to the annual assessment. Effective 1/1/82.

Ins 16.02 Annual audited financial reports and examinations.

Subsection (2) (intro.) was amended to broaden the scope of the rule to include cooperative sickness care plans or associations organized under s. 185.981, Stats. Section Ins 16.02 requires that an insurer file an annual audited financial report on or before each June 30, requires insurers to designate an independent accountant to examine its financial statements, and authorizes the commissioner to determine the nature, scope and frequency of examinations. Effective 11/1/82.

Ins 17.28 Health care provider fees.

Subsection (6) was amended to interpret the provisions of s. 655.27 (3), Stats., relating to fees to be paid by health care providers for participation in the Patients Compensation

Fund. These amendments provided for fees to be effective from July 1, 1982, to June 30, 1983, to reflect the actuarial and underwriting experience of the fund. Subsequently, paragraphs (h) and (i) of subsection (6) were amended to correct the fee increases for podiatrists and nurse anesthetists. The fee relativity schedule originally applied resulted in increases for these classes of health care providers of a magnitude which was not intended. Effective 7/1/82 and 9/1/82.

Ins 17.29 Refund of excess health care provider premiums.

This rule was promulgated as an emergency rule as directed by the Joint Committee for the Review of Administrative Rules. The purpose of the rule is to assure that premium rates for Wisconsin Health Care Liability Insurance Plan shall not be excessive and shall not place the voluntary market at an undue disadvantage. The Board of Governors may determine the excess premiums and earnings thereon and return said excess premiums to the policyholder of record for the years in which the excess premiums were collected. Effective 4/12/82.

Ins 18.07 Coverage (Health Insurance Risk-Sharing Plan).

Subsection (5) (b) was repealed and recreated to establish a revised schedule of premiums for persons covered under the Health Insurance Risk-Sharing Plan. Following the recommendation of the Actuarial Advisory Committee for the plan, the rates reflect differing health care costs by location for the Medicare supplement plan, and by location, age and sex for the major medical plan. Effective 7/1/82.

ADVISORY BOARDS AND COUNCILS

Wisconsin law, s. 15.04, Stats., provides that heads of independent agencies may create and appoint such councils and committees as the operation of the agency requires. The insurance law, s. 601.20, Stats., authorizes the Commissioner of Insurance to create advisory councils and committees to assist in dealing with regulatory problems. The commissioner is to provide by rule for the creation, governance, duties and termination of any council or committee which is established. The expert advice provided the commissioner through these councils results in more efficient regulation of the insurance industry to the benefit of insurance consumers and insurers.

The commissioner and staff members also serve on various councils and boards and thus aid Wisconsin residents by providing advice and suggestions on matters related to insurance regulation.

A description of the various councils and boards with which the Office of the Commissioner of Insurance is involved follows:

Insurance Security Fund Board

This board administers the Insurance Security Fund established by Chapter 646, Stats., to provide a mechanism for protecting insureds in the event of liquidation of insurers and to assess the cost of such protection among insurers. The Commissioner of Insurance, along with the attorney general and the state treasurer, are members of this board and serve with seven representatives of insurers subject to Chapter 646, Stats., appointed by the commissioner upon consideration of the recommendation of insurance organizations.

Wisconsin Retirement Board

The Wisconsin Retirement Board is created in the Department of Employe Trust Funds by s. 15.165 (3) (b), Stats. It is a nine-member board. Seven members represent employers or employees who participate in the Wisconsin retirement system; one is a public member and one is the Commissioner of Insurance or an experienced actuary in the office of the Commissioner of Insurance. During 1982 M. E. Van Cleave, Assistant Deputy Commissioner, was designated to serve on this board. The board studies and recommends alternative administrative policies, authorizes and terminates disability annuity payments and approves or rejects administrative rules that apply to members of Wisconsin Retirement Board.

Employe Trust Funds Board

The Employe Trust Funds Board is authorized by s. 15.16 (1), Stats., with power set out in s. 40.03 (1), Stats. The board authorizes and terminates payments of annuities and benefits under the public employe trust fund chapter; approves the tables to be used for computing benefits under the Wisconsin retirement system; appoints the secretary of the Department of Employe Trust Funds; selects and retains an actuary; approves contribution rates and actuarial assumptions; approves or rejects administrative rules proposed by the secretary and has other related powers. Four of the members of this board are appointed by the Wisconsin Retirement Board. M. E. Van Cleave was appointed January 19, 1982 as one of the representatives of the Wisconsin Retirement Board on the Employe Trust Funds Board.

Group Insurance Board

Section 15.165 (2), Stats., created a Group Insurance Board in the Department of Employe Trust Funds. The Commissioner of Insurance or designee is a member of the board. The Group Insurance Board is authorized to enter into contracts with insurers to provide the group insurance plans provided for by this chapter or to provide the benefits on a self-insured basis. It also provides general administrative policy for the group insurance programs for health care, income disability benefits, life insurance and deferred compensation plans authorized for state and other public employees under Chapter 40. The specific powers of the board are enumerated under s. 40.03 (6), Stats. During most of 1982 M. E. Van Cleave, Assistant Deputy Commissioner, was designated by the Commissioner of Insurance as a member of the Group Insurance Board.

Council on Fire Service Training Programs

This body, authorized by s. 15.947, Stats., functions under the State Board of Vocational, Technical and Adult Education, and furnishes advice and guidance to the board in the establishment and maintenance of training programs in fire prevention and protection. The council comprises representatives from the Division of Emergency Government (bureau of civil defense and disaster control), the Department of Industry, Labor and Human Relations and the Office of the Commissioner of Insurance, together with six members of fire departments appointed by the governor for staggered six-year terms.

During 1982 the Commissioner of Insurance was represented on this council by Norman J. Wirtz, Insurance Rate and Form Analyst.

Joint Survey Committee on Retirement Systems

This committee performs duties mandated under s. 13.50, Stats. The committee is comprised of two majority party senators, one minority party senator, two majority party representatives to the assembly, one minority party representative to the assembly, an assistant attorney general, a member of the public selected by the governor, the Commissioner of Insurance or a designated experienced actuary in the office and the secretary of the Department of Employe Trust Funds.

This committee evaluates all legislative proposals which would create or modify any system of retirement for public officers or employees. No such bill may be acted upon by the legislature until it has been referred to this committee for preparation of a written report. The report must indicate the probable cost involved; the effect of the proposal upon the actuarial soundness of existing retirement systems; and the desirability of the proposal as a matter of public policy.

During 1982 the commissioner's office was represented on this committee by M. E. Van Cleave, Assistant Deputy Commissioner.

Retirement Research Committee

This committee performs duties mandated under s. 13.51, Stats. Its membership represents employee and employer groups having vested interests in various state retirement programs. The committee has investigatory powers over all state retirement systems for public employees. In addition, it may require any public pension or retirement system to furnish it with periodic financial reports and records. The committee conducts a continuous review of retirement benefits afforded to public employees under the existing state system. It maintains a current reference library of all public employee pension and retirement plans throughout the United States and makes its findings and recommendations available to the governor and the legislature.

During 1982 M. E. Van Cleave, Assistant Deputy Commissioner, served on the committee.

Changes in administrative rules dealing with inclusion of condominiums in the application of s. 632.05 (2), Stats., requiring total policy limits coverage if a property is fully destroyed, have been suggested by this council.

COMPANIES IN LIQUIDATION

ALL-STAR INSURANCE CORPORATION, IN LIQUIDATION

In the year since February 28, 1982, the Liquidator reported the status of net liquidated assets as follows:

Assets at March 1, 1982	$ 9,353,791
Additions, Net of Administrative Expenses	2,500,918
	$11,854,709
Less Claim Distributions	4,047,643
Net Liquidated Assets at February 28, 1983	$ 7,807,066

In September, 1982, the Liquidator petitioned the Court for its approval to pay a first partial dividend of 25% of the Class 3 amount on claims which had been approved by the Court and also to authorize payment in the future on additional Class 3 claims as they are subsequently approved by the Court. Pursuant to the Court's order, the Liquidator has paid dividends totaling $4,047,643 through February 28, 1983.

The Liquidator is continuing to pursue the recovery of other assets which are due to the estate of All-Star. Recoveries are anticipated from reinsurance proceeds, funds on deposit with ancillary receivers, additional suits, and through the disposition of furniture and fixtures.

The total of claims filed in liquidation at February 23, 1983 was 7,352 distributed as follows:

TYPE	CLASS	NUMBER
Administration	(1)	2
Wages	(2)	2
Losses	(3)	3,600
Unearned Premium	(4)	2,689
General Creditor	(5)	1,029
Miscellaneous Subordinated	(8)	26
Proprietary	(11)	4
		7,352

Court approved determinations through February 28, 1983 on Class 3 claims amounted to $16,543,605. A total of 3,600 Class 3 claims were filed against the estate of which 350 were still unresolved on February 28, 1983.

While the final aggregate asset figure cannot yet be predicted, it is quite certain that there will not be sufficient assets to pay loss claimants (Class 3) in full. As such, claimants in classes other than Class 1, 2 or 3 will not be able to participate in the distribution of All-Star's assets. At some time in the near future, those claimants will be advised formally not to anticipate any dividend.

MARTELL MUTUAL TOWN INSURANCE COMPANY, IN LIQUIDATION

Martell Mutual was placed in liquidation on August 21, 1980, in the Circuit Court for St. Croix County, Wisconsin. Gary L. Bakke has been appointed Special Deputy Commissioner.

Martell Mutual policyholders suffered windstorm losses of approximately $5,100,000.00 on July 15, 1980. Inadequate reinsurance and a preexisting weak financial position resulted in an inability to pay the claims. Martell Mutual policies are assessable. Two assessments have been levied and collections exceed 92%.

A lawsuit by Martell Mutual against its officers and directors, the State of Wisconsin, its reinsurers and its reinsurance broker was settled in January, 1983, for $2,000,000.00. This is in addition to more than $2,900,000.00 previously paid to the liquidation by the reinsurers.

All settled claims and expenses of administration incurred to date have been paid in full.

After completion of an audit, the liquidator will distribute available money according to s. 645.68, Stats. The distribution will refund 100% of unearned premium and approximately 67% of the second assessment collected from policyholders. There will be no refund of the first assessment or interest and penalties on assessments.

RELIABLE LIFE AND CASUALTY COMPANY, IN LIQUIDATION

The liquidation of the Reliable Liquidation Account, which contained substantially all of the assets and liabilities of Reliable, except the corporate shell and licenses, continued in 1982. Reports on the status of the liquidation are periodically filed with the Dane County Circuit Court. Aproximately 44,000 guaranteed renewable disability policies are presently being serviced by the Wisconsin Insurance Security Fund under Chapter 646.

In July, 1982, the Special Deputy, John Torphy, filed a lawsuit in the Dane County Circuit Court against Reliable's former actuaries and accountants. Damages in excess of $50 million are alleged. The suit is presently in the discovery stage and no trial date has been set.

Approximately 270 claims have been filed against the Liquidation Account. Of these, 186 are claims by former agents for unpaid first-year and renewal commissions. In March, 1983, the Liquidator filed and served partial recommendations on these agent claims, recommending that the agents who filed timely claims in acceptable form have a Class 5 claim under s. 645.68, Stats., for commissions earned through October 7, 1981. It is anticipated that some agents will file objections and the issues raised by the partial recommendations will be litigated.

The Liquidator has demanded approximately $14 million from NRG American Life Reinsurance Corporation pursuant to three reinsurance treaties. NRG has asserted a right to rescind the treaties on the grounds of mistake. It appears unlikely that this dispute will be settled short of litigation. The Liquidator also intends to assert a claim against Reliable Investors Corporation, the holding company, to recover dividends upstreamed prior to the insolvency.

At present, accumulated assets are insufficient to pay a dividend to any creditor with a priority lower than Class 3. In February, 1983, Mary P. Merrill was appointed Special Deputy.

WISCONSIN SURETY CORPORATION, IN LIQUIDATION

In the year since January 31, 1982, the Liquidator reported:

Balance 1/31/82	$1,701,264.88

The 746 actual claims on file in the liquidation proceeding in Wisconsin total $25,137,972.16. The 190 Wisconsin claims total $4,378,450.66, after making adjustments for docketed claims which are duplicates of other docketed claims, which amend other docketed claims, and which contain multiple distinguishable claims filed by means of a single document. The status of claims as of 1/31/83:

Work during the past twelve months has included attempts to resolve the coordination problems experienced with the Liquidation Division of the State Board of Insurance in Austin, Texas; conclusion of the final claims pending before the Liquidation Court; handling of claimant appeals from the Liquidation Court; and general administration of the liquidation estate. All non-claims litigation has been concluded.

Initial recommended determinations have been issued for all of the 746 filed claims, including claims withdrawals. Four of the claims remain open. Proceedings in one of these are completed and await Liquidation Court decision. Another case is scheduled for trial in February, 1983, before the Liquidation Court. Two additional matters have been completed with respect to Liquidation Court proceedings, but are now on appeal by the claimants following the Court approval for the claim disallowance by the Liquidator.

III - DIVISION OF REGULATION AND ENFORCEMENT

OFFICE OF POLICY ANALYSIS

The Office of Policy Analysis (OPA) has several responsibilities.

Included among them are: reviewing drafting of administrative rules; providing staff support to advisory councils and other committees on which the office serves; conducting research on insurance issues; working on legislative analysis; and carrying out the public information program of the office.

Primary emphasis in 1982 was on legislative analysis, on developing administrative rules relating to medicare supplement policies, deregulation of worker's compensation insurance, life insurance advertising, mortgage guaranty insurance, compulsory and security surplus requirements for insurers and revising the rule on group life and disability coverage termination and replacement. There was also coordination with the National Association of Insurance Commissioners committees, particularly on Medicare supplement policies.

Issues to be considered in 1983 are: revising the requirements for skilled nursing home insurance coverage; regulation of health maintenance organizations; supervision of multiple employer trusts and third party insurance administrators; a revision of the rules establishing the Wisconsin Insurance Plan, and anti-arson legislation.

There will be continued coordination with the National Association of Insurance Commissioners committees.

HEALTH INSURANCE RISK-SHARING PLAN

The Health Insurance Risk-Sharing Plan (HIRSP), Chapter 313, Laws of 1979, became effective on January 1, 1981. HIRSP is governed by a nine-member board. Through a selective bidding process, Mutual of Omaha was chosen as administering carrier for the plan. The plan provides major medical and Medicare carve-out coverage for Wisconsin residents who, for medical reasons, are unable to obtain adequate health insurance coverage in the private market.

The plan is designed to be self-sufficient, except that for the first three years of operation the statute requires that premium rates shall not exceed 130% of the standard individual rate for substantially similar coverage. Expenses of the plan in excess of premiums are assessed against health insurers in proportion to the insurer's total premium or other charges on business written in this state on behalf of Wisconsin residents.

The plan was in full operation on July 1, 1981.

The principal function of the Financial Examinations Bureau is to monitor the financial condition of all insurers licensed to market insurance in Wisconsin and to ensure the financial solidity of these insurance companies. Part of the financial monitoring includes the review of CPA audit reports filed with the department pursuant to Wisconsin Administrative Code section Ins 16.02.

The bureau also maintains and reviews holding company filings required by Wisconsin Administrative Code section Ins 12.01; reviews financial reports for surplus lines insurers; collects premium taxes; amends certificates of authority; and approves mergers of insurance companies. In addition, the bureau participates in the collection and distribution of fire department dues as required by s. 601.93, Stats.

The Bureau of Rates and Forms is responsible for the administration and enforcement of the Wisconsin Statutes relating to insurance rates, underwriting rules, advertising practices and policy forms.

Bureau activities include research projects relating to policy forms and coverages.

Activities in 1982 included:

- development of compliance standards for the filing of insurer elective dates due to changes in the standard valuation and nonforfeiture law.
- development of guidelines for insurers required to refile policy forms and rates due to the repeal and recreation of the Medicare Supplement rule, Ins 3.39.
- a study of the accident and health market share companies to determine compliance with the continuation and conversion statute and rules.
- a review of the Wisconsin Insurance Plan which identified the need for a rule revision to reflect current operating procedures.
- participation in the residual market mechanisms including the Worker's Compensation Rejected Risk Pool, Wisconsin Automobile Insurance Plan, Wisconsin Insurance Plan and the Health Insurance Risk-Sharing Plan. The staff also participated on the Wisconsin Arson Insurance Council and the Wisconsin Highway Safety Council.

IV - DIVISION OF ADMINISTRATIVE SERVICES

BUREAU OF STAFF SERVICES

The Bureau of Staff Services is responsible for general administrative functions of the agency including: word processing, the licensing program for insurance agents, personnel, payroll and internal mail service.

Agent Licensing Section

1982 was the first year of the change from annual to biennial billing of agents' license fees. Regulation fee billings were sent to 31,932 agents on January 1, 1982. The licenses of 4,645 agents were suspended on February 1 for failure to pay fees. The licenses of 2,316 of these agents were revoked on April 1.

Licensing of surplus lines agents has been transferred from the Financial Examinations Bureau to the Agent Licensing Section. Surplus lines agents will continue to be billed annually to renew their licenses.

The rule relating to proper exchange of business, Ins 6.66, was amended on October 1, 1982. The amendment eliminates the requirement that an agent placing the business complete an Exchange of Business Form and leave a copy with the insured.

During 1982, 9,099 candidates registered for the major examinations: life, accident & health, property and casualty; 6,035 candidates passed. For the limited lines examinations of auto, title, credit life/accident and town mutual nonproperty 304 candidates registered; 204 candidates passed.

Data Processing Section

Highlights of the Data Processing Section include:

- acquisition of microcomputers to assist with in-house analysis of data;
- implementation of a new complaint reporting subsystem that combines financial data with complaint data;
- implementation of an automated accounting system and year-end computer reports for the State Life Fund;
- implementation of Agent Licensing Management Information Reporting Subsystem;
- development of a noncompliance tracking system for the Patients Compensation Fund;
- preparation of a Management Information Systems Handbook.

BUREAU OF FUNDS

LOCAL GOVERNMENT PROPERTY INSURANCE FUND

The purpose of the Fund is to make reasonably priced property insurance available to tax-supported local government property such as government buildings, schools, libraries, and motor vehicles. Coverage is available on an optional basis. As of July 1, 1982, the Fund insured 22 counties, 104 schools, 59 cities, 55 towns, 66 villages, and 41 miscellaneous (CESA's, Libraries, etc.). The total amount of insurance in force as of July 1, 1982 was $2,286,354,547.

Due to the competitive nature of the insurance market for property insurance, the Fund has experienced a 43% decrease in the number of insureds from July 1980 to July 1982.

The Fund has changed its fiscal year to July 1 - June 30 to coincide with the state fiscal year. The following Income Statement and Balance Sheet reflect this change.

Based on the Fund's loss experience during fiscal 1982, a dividend of 15% was declared.

Loss experience for fiscal year 1982 was exceptionally good with a net underwriting income of $1,107,158 or 50% of earned premium. Investment income of $1,075,940 resulted in a net profit of over $2,183,098.

The program continues to be administered on a contractual basis.

PATIENTS COMPENSATION FUND

The Patients Compensation Fund provides excess professional liability insurance protection for covered health care providers. Health care providers participating in the fund pay for the protection through an annual assessment. The money collected is held in trust to pay for medical malpractice claims and the administrative costs of the fund. The fund is mandatory for all health care providers defined in Chapter 655.

The liability of health care providers who have mandatory minimum insurance protection is limited by statute to $200,000 per claim or $600,000 per policy year in the aggregate. The fund pays that portion of medical malpractice claims which exceed those statutory limitations.

Approximately 6,000 private practice physicians and surgeons, 325 nurse anesthetists, and 154 hospitals and associated facilities are covered by the program.

Since its inception in 1975, the fund has paid 39 claims totaling $9,885,000. It had 256 additional claims pending as of June 30, 1982.
